

Unlimited Access To More Than 11,000 Experienced Attorneys

You'll have a nationwide network of more than 11,000 participating Plan Attorneys from which to choose. Plan Attorneys have met stringent selection criteria and have an average of 23 years or more of legal experience.

Plan Attorney assistance includes:

- Covered legal services
- Consultations on the telephone
- In-person consultations
- Document preparation
- Representation in many frequently needed legal matters

Plus, if you stay within the network, covered legal services are provided with no additional attorney fees. Of course, you also have the flexibility to use a non-Plan Attorney and get reimbursed for covered services according to a set fee schedule.* It's completely your choice!

Legal Advice Is Just a Phone Call Away

When you face a situation that you think has legal implications, simply pick up the phone. A knowledgeable Client Service Representative will be available to assist you in locating a Plan Attorney near your home or workplace. And, Plan Attorneys are generally available to meet with you on weekdays, evenings and even Saturdays.

*You will be responsible to pay the difference, if any, between the Plan's payment and the non-plan attorney's charge for services. 01302009FLDOT(EXP2010)HLPGC
