Important Details

The following is an overview of your voluntary long term disability insurance. Once a group policy is issued to your employer, a certificate of insurance will be available to explain your coverage in detail.

Exclusions:

You cannot receive voluntary long term disability insurance benefit payments for disabilities that are caused or contributed to by:

- war or act of war (declared or not)
- the commission of, or attempt to commit a felony
- an intentionally self-inflicted injury
- any case where your being engaged in an illegal occupation was a contributing cause to your disability

You must be under the regular care of a physician to receive benefits.

Mental Illness, Alcoholism and Substance Abuse:

- You can receive benefit payments for long-term disabilities resulting from mental illness, alcoholism and substance abuse for a total of 24 months for all disability periods during your lifetime.
- Any period of time that you are confined in a hospital or other facility licensed to provide medical care for mental illness, alcoholism and substance abuse does not count toward the 24 months lifetime limit.

Pre-existing Conditions:

Your insurance limits the benefits you can receive for pre-existing conditions. In general, if you were diagnosed or received care for a condition before the effective date of your policy, you will be covered for a disability due to that condition only if:

- you have not received treatment for your condition for the length of time specified in the contract before the effective date of your insurance, or
- you have been insured under this coverage for the length of time specified in the contract prior to your disability commencing, so you can receive benefits even if you're receiving treatment, or
- you have already satisfied the pre-existing condition requirement of your previous insurer.

Your benefit payments will be reduced by other income you receive or are eligible to receive due to your disability, such as:

- Social Security disability insurance (please see next section for exceptions)
- workers' compensation
- other employer-based insurance coverage you may have
- unemployment benefits

- settlements or judgments for income loss
- retirement benefits that your employer fully or partially pays for (such as a pension plan)

Your benefit payments will not be reduced by certain kinds of other income, such as:

- retirement benefits if you were already receiving them before you became disabled
- retirement benefits that are funded by your after-tax contributions
- your personal savings, investments, IRAs or Keoghs
- profit-sharing
- most personal disability policies
- Social Security increases

This benefit highlights sheet is an overview of the voluntary long term disability insurance being offered and is provided for illustrative purposes only and is not a contract. It in no way changes or affects the policy as actually issued. Only the insurance policy issued to the policyholder (your employer) can fully describe all of the provisions, terms, conditions, limitations and exclusions of your insurance coverage. In the event of any difference between the benefit highlights sheet and the insurance policy, the terms of the insurance policy apply.
